GENERAL STATEMENT OF POLICIES

Frederick Cadet Youth Athletic Association (FCYAA) considers our athletic programs as an extension of the educational classroom. A student-athlete's presence, whether in the classroom or on the field of play, does not ensure success. True growth is achieved through active participation and cooperation of parents, coaches, teachers, administrators and the student-athlete. A shared responsibility promotes a healthy, productive environment for our youth.

Participants are expected to maintain a **minimum of a 2.0 grade point average with no failing grades**. Participants in middle school will submit a copy of their final report card from the previous school year at the beginning of the season and an interim grade report when it becomes available in October. There are no penalties, suspensions or reduction in playing time due to poor grade reports. The purpose of this policy is to prepare, support and counsel the student-athletes regarding policies that take effect when entering into any Frederick County Public School (FCPS) high school.

Participants in elementary school do not have to submit grade reports, but parents are encouraged to alert FCYAA of any academic concerns.

ATTENDANCE

Attendance at all practices and games is expected, even for the athletes that are injured at that time. Participants are expected to be fully dressed and ready to participate at the designated time. FCYAA will be diligent in looking for poor patterns of attendance. The consequence for poor patterns of attendance, whether excused or unexcused, could reduce playing time in games.

PARENT/GUARDIAN INITIALS: _____

BEHAVIOR IN SCHOOL

Parents are encouraged to notify FCYAA of any issues regarding school related behavior. A student-athlete suspended from school will also result in a suspension from all FCYAA activities during the length of the school suspension.

Therefore, missing practice due to a school suspension may impact playing time even though games are played on the weekend.

PLAYING TIME

Guidelines regarding playing time have been provided to all FCYAA coaches and are constantly monitored by FCYAA board members. Remember that the experience of participation includes all activities—practices, games and events. All student-athletes come into the season with a varying degree of knowledge, of skills, and of work-ethic as it relates to the sport. Every effort will be made to develop each student-athlete throughout the season in all related activities and events.

Balancing the development of a team and that of an individual is always difficult—even in youth sports. The best time to discuss the development of your student-athlete with your coaches is after practice. FCYAA HAS A “NO MUST PLAY” POLICY.
